

TWENTY-TWO MACHINES

In The Air at One Time In
Record Smashing Flying
At Rheims.

Rheims, July 10 10.—Every aviation record, save the height record, was broken in the aviation meet which closed last night at Rheims. The aviators tonight are being feted and honored. Two accidents marred the week. Baroness De La Roche, premier woman flyer, fell 240 feet from a bi-plane, sustaining injuries which may prove fatal. Aviator Charles Wachter lost control of his aeroplane and was dashed to death. The meeting is conceded as the greatest event in heavier-than-air machines in the history of aviation. Once during the week, 22 machines were in the air at the same time.

Garden Party.

One of the handsomest entertainments of the whole season was the garden party given Friday afternoon by Mrs. Philip Edgar West at her hospital home on South Walnut St. The honorees of the occasion were Mrs. Charlton Duke and Miss Mary Phillips of Bowling Green and Miss Ruth Dietrich, of Winchester. The lawn and veranda were elaborately decorated with potted plants, and on the floral screened portico, Lebkuecher's orchestra furnished a delightful program of Southern music.

Cards were taken by master Philip Edgar West, Jr., and Miss Mary Ethel Harned, and the many guests who called were met by Mrs. Green Henry Russell and Mrs. Nat F. Dortch.

A double receiving line stood under an arbor of green and those in line were:

Mesdames Charlton Duke, Tillie Thomas, Ben S. Wood, Dan Settle, W. H. Moore, Starling, Philip Edgar West, and Misses Mary Phillips, of Bowling Green, Ruth Dietrich, of Winchester, Narcissus McKee, of Pembroke, Katie Means, of Louisville, Mattie Barker, Kathleen Carothers, Mrs. Maxwell Boales, Jr.

There were seven refreshment tables, decorated with red and white sweet peas and the middle table had a handsome centerpiece of red and white carnations, to represent the colors of the U. D. C. and the Treble Clef Club, whose members were among the guests of honor.

Mesdames Chas. S. Jarrett, Samuel Tinsley, James West and J. R. Russell presided over the tables where the delightful refreshments carried out the emblem of the Treble Clef Club.

Misses Marian Dortch, and Edna Cayce were at the punch bowl, and Mesdames Campbell, R. C. West and C. S. Duke, Jr., assisted in receiving and entertaining the many guests on the lawn.

COAL WANTED

Bids will be received up to noon, July 16, 1910, to furnish and deliver, as directed by the city school board, ten (10) thousand bushels of coal; 5,000 clean lump and 5,000 bu. clean nut; 3,000 bu. nut to be delivered by Aug. 20th, 1910, and the balance any time between July 15th and Sept. 15th, 1910.

The board reserves the right to reject any and all bids.

W. A. LONG, Chairman.
Hopkinsville, Ky., July 6th, 1910.

SUES RAILROAD

Father Alleges His Child Contracted Measles on
Train And Died.

Paducah, Ky., July 8.—James Bogard has filed suit against the Illinois Central railroad for \$5,000 damages for the death of his child, Geo. Bogard. He alleges the child contracted the measles from another passenger while en route from Carterville, Ill., to Paducah and died. Bogard lives at Benton, Ky.

BROKE WORLD'S RECORD.

Paducah, Ky., July 8.—The first eight men up for the Pensacola Giants in the negro ball game between the Paducah Nationals and a team from Pensacola, Fla., knocked eight home runs, which is believed to be a world's record. Each went over the right field fence.

After the unprecedented feat, the colored Paducah pitcher settled down and yielded but one more run, the score resulting 9 to 0 for the Pensacola blacks.

Salubria Springs Hotel.

In order to properly introduce the advantages of the Salubria Springs Hotel to the people of Hopkinsville and adjoining country, as a pleasant and healthful summer resort, the rates to regular boarders have been fixed at the low price of \$8.00 a week. No effort is being spared to make the hotel a pleasant place to spend the heated term. Give it a trial.

Tooth Hints!

"When ought we to go to the Dentist?"

Many think it unnecessary to devote particular attention to the teeth until the mouth is affected by broken or decayed teeth. Others give their teeth no attention until pain compels them. Every one who thinks a moment on the subject knows that we cannot masticate our food satisfactory, if one of the teeth is tender, inflamed or otherwise out of order, and that if this be the case, the mouth requires immediate attention.

The Truth About Our Store!

1 Truth in business dealings is a thing to be encouraged. We believe in absolute truth in our relations with our customers—we want them to know they can depend upon what we say. We sell all drug store goods of quality, guaranteed perfect. We select only those drugs, the strength of which is proved by assay.

2 Our service methods are modern and approach perfection for comfort and convenience of our customers.

3 Every inducement is offered in the way of satisfactory trading—class, quality and economy. A trial proves the truthfulness of our claims.

Seventh Street. Cumb. 509.

Notice To Contractors

The undersigned committee appointed by the Fiscal Court of Christian County will receive sealed bids until 9:00 a. m. on July 15th, 1910, for the construction of about two miles of pike on the Palmyra road extending from the end of the present pike to the Bell Station road; metal to be sixteen (16) feet wide, ten (10) inches deep in center and curving to six (6) inches deep on each side, of crushed or hard broken stone with two (2) inches of screening included in said depth, stone small enough to pass through a two inch ring. Also about three-fourths of a mile on the Butler road to fill out a gap in said road extending from its intersection with the Ducker Mill road to Mrs. Deason's farm; also one mile more or less on the Pilot Rock road between W. H. Fuller's and Brown's store, metal to be nine (9) feet wide of crushed or hand broken stone, and small enough to pass through a two inch ring; also three-fourths of a mile more or less on the Greenville road to close up a gap near Barnes' also three (3) miles more or less on the Johnson's Mill road beginning at the end of the present pike and extending north on said road; also three (3) miles more or less on Princeton Road and the same on the Buttermill road. Metal on the Greenville road, Johnson's Mill, Princeton and Buttermill roads to be twelve (12) feet wide, ten inches deep in center, sloping to six (6) inches on each side. The three (3) miles on the Johnson's Mill and Greenville roads to be machine crushed metal small enough to pass through a two inch ring with two inches of screening included in depth of metal; also six (6) hundred yards more or less on East School House and Crofton road; also seven (7) hundred yards more or less on the Pleasant Green and Mt. Zoar roads. Last two named to be nine (9) feet wide and nine (9) inches thick, stone small enough to pass through a two inch ring. All work is to be bermed with earth two feet in width at base and one foot at top, slopping to base and ditched so as to carry off water. Also four hundred (400) yards more or less on the Crofton road at the end of the present pike east of Crofton, metal sixteen (16) feet wide, ten (10) inches deep in center and curving to six (6) inches at edge, and covered with two inches of screenings, included in above depth. County to do all grading and building culverts and furnish quarries.

The Court reserves the right to reject any and all bids.
